GALCO GROUP

WHO WE ARE

An Australian owned and operated company, we pride ourselves on delivery through foresight and innovation. Since our inception in 2014, we've brought passion and experience to the rail and civil construction markets.

Galco combines expert operators with cutting-edge equipment to deliver safe, reliable and efficient outcomes.

Partnering with global leaders in advanced machinery, we ensure superior quality on every project.

Our proven track record in complex work packages reduces risk, cost and disruptions, removing uncertainty from operations.

OUR VALUES

ACCOUNTABILITY

We are responsible for our actions and achieving results, because it's who we are.

PROFESSIONALISM

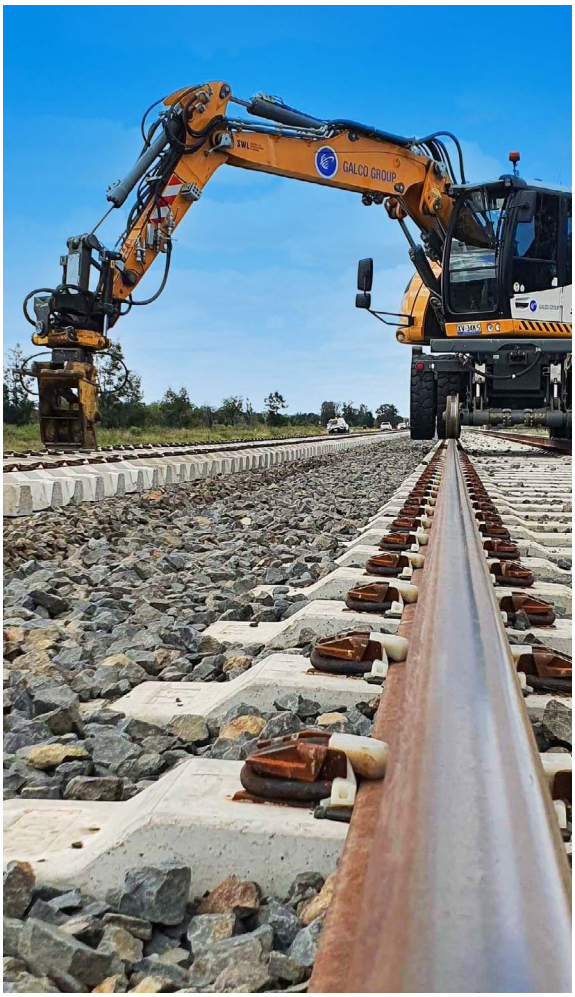
We aspire to always maintain our high standards. As it's not the job you do, it's how you do the job.

INTEGRITY

We are built on trust and always aim to exceed on our commitments to our clients & colleagues.

RESPECT

We respect our colleagues and clients, while encouraging the expression of their various opinions and ideas.



OUR SERVICES

RAIL CONSTRUCTION & MAINTENANCE

Working closely with OEM manufacturers, like Liebherr, Hitachi and Engcon, and with one of the largest fleets of Hi Rail machines in the Southern Hemisphere, we're at the forefront of providing innovative, purpose-built equipment with unparalleled precision and accuracy.

- Turnout Construction & Installation
- Ballast Remediation
- Re-Railing
- Undercutting
- Sleeper Replacement
- Reconditioning Works
- Sess Drain Cleaning
- Level Crossings

CIVIL CONSTRUCTION

Safety, quality and reliability are central to our Civil works, supported by our modern and comprehensive fleet of machinery and attachments. Our entirely in-house capabilities incorporate strict safety and quality processes to minimise risks and environmental impact while ensuring the efficient utilisation of resources.

- Site Cuts
- Quarry Works
- Detailed Excavation
- Drainage
- Demolition
- Bulk Earthworks
- Access Roads
- Wind & Solar Farm Works

PLANT HIRE & SALES

We offer an extensive range of innovative rail and civil plant, along with state-of-the-art attachments, available for dry hire, wet hire, and sales to suit projects of any scale. Our versatile attachments provide a smart, safe, and cost-effective alternative to deploying multiple machines and operators.

- Excavators
- Hi Rail Excavators
- Front End Loaders
- Dozers
- Skid Steers
- Water Carts
- Graders
- Dumpers
- Prime Movers & Trailers
- Attatchments

Southern Programme Alliance, VIC

IN THE COMMUNITY

We're committed to giving back and supporting the well-being of the communities where we live and work.

WE'RE PROUD TO SUPPORT

Beyond Blue | Heart Foundation | HeartKids | The Claddagh Association Inc.

THE BEYOND BLUE HI RAIL EXCAVATOR

Mental health awareness is close to our hearts, with many in rail and civil industries facing challenges. Since Nov 2021, we've supported Beyond Blue, donating a portion of every hour the 'Beyond Blue' HR9 operates to fund mental health initiatives. Add the HR9 to your next project.

THE HEART FOUNDATION & HEARTKIDS WA

In memory of founder Declan Cunningham, who sadly passed away on 19 May 2023, Galco proudly supports The Heart Foundation and HeartKids WA—organisations dedicated to improving heart health and supporting families affected by heart disease.

GALCO GROUP
